

## SAFETY AND SECURITY

The Department of Student Housing knows that in order for our residents to succeed both personally and academically at CSUN, they must feel safe. Because of the importance of safety, the department provides facilities, services, and procedures to try to make the complex as safe as possible.

### Communication in an Emergency

The University will, when at all possible, use information available in SOLAR to communicate with students in the case of an emergency. It is of the utmost importance to keep all of your emergency contact information updated in the campus portal, SOLAR system.

#### *CSUN Faculty, Staff and Student Responsibilities:*

- Ensure your emergency contact information is up-to-date in the **myNorthridge** portal. This information is used with our mass communication system to notify you of a critical or emergency situation.
- Listen carefully when faculty, staff and emergency personnel tell you what to do.
- Take drills seriously and encourage others around you to do the same.
- Know the location and content of building evacuation maps, including the designated outside evacuation areas.
- **Note: Building evacuation maps are located near the elevators.**
- Learn about what to do in an emergency – know about the campus emergency procedures such as how to respond to a medical emergency, fire/explosion, hazardous materials spill, bomb threat, earthquake, etc. To learn more about response procedures during an emergency, please go to our web site at: <http://www-admn.csun.edu/publicsafety/emergency/index.htm>
- Create a family Emergency Communications Plan – determine how you and your family will stay in contact if separated by a disaster; chose an out-of-state friend or relative as a “check-in contact”.

#### *Communication Methods:*

- **Connect-ED – Mass Communication System**  
CSUN has a mass emergency communication system that can send messages to all faculty, staff and students.  
The Connect-ED system allows Cal State Northridge administration or emergency response personnel the ability to send all students, staff and faculty time- sensitive information about unforeseen events and emergencies using voice, email and text-messaging. The system can be used to broadcast pertinent information and provide details on appropriate response.
- **Campus Carillon – Outdoor Public Broadcast System**  
The Carillon is an outdoor public broadcast system.  
It is intended to alert persons who are outdoors and is not designed to be heard inside buildings. Real-time messages and emergency instructions can be broadcast.
- **CSUN Home Page**  
Another source for emergency information is the CSUN home page: <http://www.csun.edu>.  
During a critical incident or emergency, information will be prominently displayed on the home page.
- **CISCO IP PHONE Alert**  
The campus CISCO IP telephones allow CSU Northridge administration and emergency response personnel the ability to simultaneously send an audio and text message to office phones.

- **Physical Plant Management** 677-2222

### **Student Housing On-Call Duty System**

Ten Resident Advisors perform on-call duty each night.

#### **RAs will be on duty from:**

7:00 p.m. – 8:00 a.m. Monday through Thursday

7:00 p.m. Friday through the following Monday morning at 8:00 a.m.

While on duty, the RAs on duty will walk the communities, visit with residents, look for security and maintenance concerns, and address policy violations. The rest of the time, they will be available in and around the buildings. Duty phone numbers are located in the glass entry doors of each of the buildings and in the UVA laundry room.

A Community Director is also on duty each night to assist with both personal and facility emergencies as well as with disciplinary situations. The CD on duty will be contacted by the RA as the need arises. The CD's are professional live-in staff members. These staff members are full-time professionals who are trained to handle counseling, disciplinary, and crisis situations. A CD is on call 24 hours a day, 7 days a week, including holiday periods.

#### **RA Duty Phone Numbers**

**Buildings 1, 2, 3, 4, 5 – (818)402-9914**

**Buildings 6, 7, 8 and the University Village Apartments – (818)402-9912**

**Buildings 9, 10, 11, 13– (818)400-1248**

**Buildings 12, 14, 15 – (818)402-9941**

**Buildings 16, 17, 18 (The Suites) – (818)455-3043**

#### **Matador Patrol Program**

The Matador Patrol program is a service provided by the Department of Public Safety. While the Matador Patrol staff members are not police officers, they are a division of the University Department of Public Safety and work closely with police officers and Residential Life Staff (including Resident Advisors and Community Directors).

The Matador Patrol assistants perform many duties aimed at creating a safe environment for our residents and their guests. The Matador Patrol patrols the grounds of on-campus housing. They provide walking campus escorts if you do not wish to walk alone at night. These staff members also monitor drive-in gates to the University Park complex each night from 7:00 p.m. – 3:00 a.m.

More information about the Matador Patrol and Escort Program can be found at <http://www-admn.csun.edu/publicsafety/csa/>.

#### **Restricted Access**

Matador Patrol will control access to the University Park complex at Lindley Avenue and Zelzah Avenue entry points each night from 7:00 p.m. – 3:00 a.m. All other walkways and driveways will be locked during this period of time. Be sure to move your vehicle out of any parking area that will be locked if you or your guests intend to use it during these times. These procedures were put in place to provide a higher level of security. Please be kind to and cooperate with the Matador Patrol staff in following the required safety procedures.

The UVA has a gate surrounding the property which is closed to the general public 24 hours per day, 7 days per week. Access to the gate is controlled by remote control devices which are available through Parking Services. A deposit is required.

### **University Park Gate Access Procedures**

When the University Park perimeter gates are locked, on-campus housing residents will be granted access by showing their CSUN I.D. card and Resident sticker on their I.D.

Guests gain access through approval by a resident host by obtaining a guest pass from the Guest Registration Assistants located at the Lindley Avenue and Zelzah entrances to University Park between the hours of 7:00 p.m. and 1:00 a.m. In either case, you AND your guest must be present to register. If your guest will be staying past 1:00 a.m. you must register and gain approval to host an overnight guest using our on-line overnight guest registration system. Those registrations need to be complete by 3:00 p.m. the day before the stay OR by 3:00 p.m. on a Thursday for a weekend stay. For additional policies and procedures related to hosting guests please see our policies section at the end of this handbook.

When a resident or guest drives into the facility, a current valid residential parking permit must be displayed in or on the vehicle. Those without permits will be directed to purchase a visitor parking permit or to public parking on the city streets.

### **Building Entry**

In an effort to maximize the security of the residential community, building entrances to all University Park buildings are locked. An electronic key card system has been installed on the unit doors, lobby doors, pool areas, and offices. At check in, you will be issued a key card that will open your unit, building lobby doors/stairwell doors for your building, the pool areas (during hours when the pool is open), and the computer lab.

### **Intercom System for the University Park Apartments**

The intercom system allows your guests to notify you that they are at the entrance of your building. To use the intercom, have your guests follow the directions listed below.

Guest will press the apartment # on the intercom panel at the main entrance of the building.

If you recognize the call and want the caller to visit, you must go down to the main entrance and let your guest into the building.

A resident host must accompany guests at all times while in the complex. Unauthorized and unescorted guests will be asked to leave.

### **Lost Key Cards/Keys**

You are responsible for the key card and mailbox key issued to you. If your key card or your mail key is lost or stolen, immediately contact the front Housing Office (x2160) to obtain a new key card. The cost of a replacement key card is \$25.00. Please report lost or stolen cards promptly for the safety of your roommates, neighbors, and other community members.

### **Bedroom Locks in the University Park Apartments**

Our maintenance department will, at your request, place a lock on your bedroom door. There is a one-time charge of \$160.00 to install the lock and create keys. We retain the sole authority to place locks in rooms because:

They become a permanent fixture of the room.

We reserve the right to maintain complete access to all areas within the facility for safety and maintenance purposes. See the Right of Entry Policy within this section for further information.

### **Insurance & Personal Property**

The University does not assume liability directly or indirectly for loss or damage to personal property by fire, theft, water, or any other cause except to the extent provided by the law. Renters insurance is strongly encouraged for residents. Additionally, the University is not responsible for personal property left behind by residents after their withdrawal, transfer, departure, suspension, or eviction from any room.

### **Fire Sprinklers in University Park**

#### **DO NOT TAMPER WITH OR HANG ITEMS (CLOTHING, DECORATIONS, ETC.) FROM FIRE SPRINKLERS!!!**

All units within the University Park complex are equipped with fire sprinklers. They are activated by only two things:

- 1.) Extreme heat in the immediate area, such as a fire would produce. The heat melts the red filament that signals the sprinklers to activate to extinguish the fire.
- 2.) Tampering with or accidentally bumping the sprinkler heads with enough force to break the red filament.

When sprinklers are activated, 60 gallons of water per minute are emptied until the system is reset. It would take at least 10 minutes to reset the system, usually longer. The damage and disruption caused by 600-1800 gallons of water is devastating and costly to clean up and repair. The damage may not be limited to one room, as the water seeps into other rooms, especially those rooms both next to and below. You can, by law, be personally held accountable for losses to the other residents in the building should they sustain water damage! Please use extreme caution around the sprinkler heads. Costs to clean and repair are billed by the department to the unit where the sprinklers were activated.

If the sprinkler is activated in your unit, vacate the room and call the police immediately at 677-2111. Then find the nearest RA or other housing staff member. The sooner we are aware of the situation, the faster we can respond. Finally, if you experience what you believe to be losses as a result of a sprinkler activation do not throw away any items that you perceive to be damaged and try to take photos of the damaged items.

### **Department of Public Safety**

The Department of Public Safety can be reached by dialing x2111 or, in case of emergency, 911.

### **What Can I Do?**

In addition to the efforts made by our staff and the Police to provide security for the residential community, you must be actively involved in helping to maintain a secure environment for yourself and all residents. Make every attempt to ensure the careful treatment of both the facilities and the people who reside within them. Here are a few measures you can take to promote the safety of yourself and others.

**LOCK** your doors and windows when leaving your unit (even if you are only gone for a few minutes), when taking naps, and when retiring for the night. If you prop your door make sure there is someone in the living room and make sure to un-prop the door when there isn't. Often residents forget to un-prop them, thus leaving your unit open to anyone.

**LOOK** out of your peephole installed in your door whenever someone knocks. Do not open the door for people you do not know.

**MAKE** a list of your personal belongings, including the identification and serial numbers of your items. Keep this information in a safe place.

KEEP all money and valuables in a safe place. Do not keep large amounts of cash in your room. Consider leaving valuable items at home or in a safe deposit box.

CLOSE all public area doors behind you. NEVER prop open lobby or unit doors. Alarmed exits are in each building and should only be used for emergency purposes.

DO NOT LET people you do not know into the building or your unit. By opening the door for someone, you are accepting responsibility for him or her as your guest. Ask visitors who they are looking for and then refer them to the intercom or the department's Front Office in Pacific Willow Hall (Building 6).

DO NOT LOAN your key card or key(s) to anyone...not only is it a violation of Student Housing Rules and Regulations, but it puts your roommates and members of your community in jeopardy.

REPORT suspicious people or circumstances to the RAs, our office, or the police. This includes vendors and unescorted, non-residents who are inside the building. The Department of Student Housing does not allow solicitation of residents in our buildings. If someone tries to sell you something in the building, report it!

WALK with another person at night. Matador Patrol can be contacted for a walking escort between 9:00 p.m. – 1:00 a.m. Sunday through Thursday and 9:00 p.m. – 2:00 a.m. on Friday and Saturday. The Matador Patrol also offers walking and van escort service to campus during the academic year. If you need an escort outside of the complex, please contact the Matador Patrol at 677-4997.

### **Fire Alarms**

- When the fire alarm sounds, stay calm.
- Before exiting the unit, feel the door for heat and look at the door seals for signs of smoke. If the door is hot or you see smoke, stay in your unit, put a wet towel at the base of the door, and call for help.
- If it's safe to exit the unit, put your shoes on, grab your keys, and evacuate the building immediately. If it's safe to do so, bring a wet towel to cover your nose, mouth, face and head if necessary.
- IF YOU ENCOUNTER SMOKE, STAY LOW.
- IF YOU ARE OVERCOME BY FLAMES: STOP, DROP, ROLL, AND COVER YOUR FACE.
- Move to the designated Evacuation Point outside the building, and wait for instructions from a staff member (maps are located on the back of each unit door).
- Whenever the fire alarm sounds you are to leave your room at all times if there is no fire or smoke immediately outside your door.

### **Injuries**

Residents are encouraged to purchase or create their own minor first aid kits. In the event of a serious injury or emergency, immediately contact the University Police at 911.

### **Earthquakes**

- Duck or drop down on the floor.
- Take cover under a sturdy desk, table or other furniture (or move against an interior wall, and protect your head and neck with your arms).
- If you take cover under sturdy furniture, hold on to it and be prepared to move with it.
- Hold your position until the ground stops shaking and it's safe to move.
- If it's safe to exit the unit, put your shoes on, grab your keys, and evacuate the building. If it's safe to do so, bring essential items such as critical prescription medicine.

- If you have an Earthquake Emergency Kit, bring it.
- IF YOU CANNOT EXIT THE BUILDING, TIE A LIGHT COLORED SHIRT TO A BALCONY RAILING AND SUSPEND IT SO THAT IT CAN BE SEEN BY OTHERS.
- Move to the designated Evacuation Point taking care to keep away from downed trees, debris, and electrical lines (maps are located on the back of unit doors).

### **A Suggested List of Items for Emergency Survival**

#### *Basic Needs*

Flashlights with extra batteries (NO CANDLES, PLEASE)  
 Water - 2 quarts to 1 gallon per person per day  
 First Aid Kit - ample and freshly stocked  
 First Aid Book  
 Non-perishable Food  
 Can opener (non-electric)  
 Blankets, space blankets or a sleeping bag for each person  
 Radio - Portable, battery operated  
 Spare batteries  
 Essential Medication and eyeglasses  
 Fire extinguisher - A-B-C type  
 Watch or clock - battery or spring wound  
 Money or Traveler's Checks

#### *Safety and Comfort*

Sturdy Shoes- for each person  
 Heavy gloves - for each person  
 Waterproof matches  
 Change of clothes  
 Knife or razor blades  
 Tent  
 Hat or cap - protection from sun, rain or cold  
 Disposable face masks - protection from dust and smoke

#### *Sanitation Supplies*

Large plastic trash bags - for trash, waste, water protection, ground cloth  
 Large trash cans  
 Bar soap  
 Liquid detergent  
 Shampoo  
 Toothpaste and toothbrush for each person  
 Pre-moistened towelettes  
 Deodorant  
 Feminine supplies  
 Toilet paper  
 Bleach

#### *Tools and Supplies*

Axe, shovel, broom  
 Screwdriver  
 Pliers  
 Hammer  
 Coil of 1/2" rope

Plastic tape  
Pen and paper  
Plastic sheeting  
Coil of bailing wire  
Pail for carrying water or supplies

#### *Car Emergency Kits*

Non-perishable food - store in clean coffee cans  
Bottled water  
First aid kit and book  
Flares  
Fire extinguisher - A-B-C Type  
Blanket or sleeping bag  
Sealable plastic bags  
Flashlight - fresh and spare batteries and bulb  
Essential medication  
Tools - screwdriver, pliers  
Short rubber hose - for siphoning  
Small package of tissues  
Pre-moistened towelettes  
Local maps  
Extra clothes, jeans, sweater  
Sturdy shoes or boots

#### **Sheltering in Place**

If there is an emergency requiring you to 'shelter in place' (generally, staying where you are and taking precautions such as locking doors, closing and locking windows, turning off air handling systems, etc. the university will make every effort to inform you of the need to do so. However, you are also responsible for your own safety and for gathering as much information as you can.

#### **Swimming Pool Safety**

Each year, about 260 children under 5 drown in swimming pools. In addition, the suction from drains in swimming pools and spas, under certain conditions, can entrap swimmers underwater. To help protect your family, be sure to take the following steps.

##### **Use Layers of Protection**

To prevent swimming pool drowning, layers of protection are essential. Place barriers completely around the pool, closely supervise young children, and be prepared in case of emergency.

In addition, if a child is missing, always look first in the

pool. Seconds count! Knowing how to swim doesn't make a child

drown-proof. Never use flotation devices as a substitute for supervision. Keep rescue equipment and a phone next to

the pool. Learn cardiopulmonary resuscitation (CPR). Install physical barriers around the pool to limit access. Fences and walls should be at least 4-feet high and installed completely around the pool. Gates should be self-closing and self-latching. The latch should be out of reach of small children. If your house forms one side of the barrier for the pool, doors leading from the house to the pool should be protected with alarms that sound when the doors are unexpectedly opened. Or, use a power safety cover, a motor-powered barrier placed over the water area, to prevent access by young children. For above-ground pools, steps and ladders to the pool should be secured or removed when the pool is not in use.

#### **Pool and Spa Entrapment Dangers**

#### **Consumer Product Safety Alert**

For more information, please visit CPSC's Web site at [www.cpsc.gov](http://www.cpsc.gov), or call the CPSC Hotline at (800) 638-2772.

### **Selected Policies Related to Safety/Security**

**IV. Dangerous Behavior:** Any activity, which can be interpreted as endangering to or harming oneself, any community member, or guest is prohibited.

**V. Destruction/Misuse/Theft of Property:** Property damage is inappropriate and demonstrates a lack of respect for the community and the property of others.

- a. Unauthorized possession, use or misuse, removal, defacement and/or tampering of University owned property or leased property or equipment or any property belonging to a community member or guest is prohibited.
- b. Any resident who maliciously or accidentally damages University owned property will be held responsible for the cost of the damage and/or the cost of the labor to restore or repair the property to its original condition.
- c. Residents will also be held responsible for the actions of and/or damages incurred by their guests.
- d. Residents are prohibited from physically repairing damages to University property. If property is damaged, please report the damage to Residence Life staff immediately.
- e. Common area damage charges not readily assigned to a particular individual may be charged to a group or floor of residents. University furniture may not be removed from student units or common areas.
- f. Furniture may not be stored on balconies/balcony storage. Residents are responsible for the condition of their unit and the furnishings provided for them by housing.
- g. Residents must keep balconies clear of obstructions such as screens, bamboo or other coverings that block the view for safety personnel.

**IX. Fire Hazards and Safety:** The following constitutes a list of violations that could result in prosecution and/or fines:

- a. Tampering or damaging fire equipment or intentionally misusing fire alarms, smoke detectors, fire sprinklers, fire extinguishers, emergency exit signs or pulling the fire alarm when the cause is unrelated to notification of a fire.
- b. Intentionally or negligently causing and/or creating a fire, explosion or release of poisonous gas or fumes.
- c. Failure to evacuate a building immediately following the sounding of an alarm, unless otherwise instructed by Student Housing staff, fire-safety or other emergency response personnel.
- d. Possessing or storing gasoline, fireworks and/or combustible decorations and chemicals.
- e. Storing fuel-driven engines including motorcycles, mopeds, etc. in residential housing.
- f. Open flames (including candles and incense), combustible decorations and chemicals, deep fat fryers, electric fry pans, space heaters and halogen lamps are prohibited (including on balconies).
- g. Disabling, opening, damaging, or propping exits used exclusively as fire exits is prohibited (unless being used properly as an exit during an emergency situation).
- h. Grills – BBQ Grills cannot be operated anywhere but on balconies. If you wish to own and operate a grill you must go on-line, complete our grill safety form, and return it to a residence life staff member (RA, CD, etc.). Propane grills are prohibited. Charcoal grills are the only acceptable grill. Lighter fluid is also prohibited. Only self-starting charcoal is permitted.
- i. (Apartments with kitchens) Using toasters or other cooking devices in areas outside of the kitchen.
- j. (*Apartments without kitchens*) Using cooking devices outside of the designated area from the living room

**XI. Harm or Threat of Harm to Self or Another:** Committing acts of physical or mental abuse or engaging in actions that intimidate, harass, threaten, coerce, or otherwise endanger the health or safety of self or another person (including threats or attempts of suicide) is prohibited. This includes but is not limited to physical harm or threat of physical harm to any person and/or to self.

**XIII. Locks:** Installation on any door locks other than those provided by Student Housing and approved by such staff is prohibited. Unauthorized duplication of keys is also prohibited.

**XVIII. Safety/Security:** Safety/Security policies are necessary for the safety of residents and therefore must be followed. The following is a list of security/security violations:

- a. The unauthorized use, possession, or duplication of room or master keys including lending keys to any person;
- b. Bypassing or tampering with the electronic locking mechanisms for the lobby or unit doors. Propping of any door, other than your own unit door, is prohibited.
- c. Unauthorized entry into a building other than the one in which a resident has key access;
- d. Unauthorized presence on rooftops, ledges, or areas marked for restricted access;
- e. Unauthorized use of or entry/attempted entry into computer or telecommunications systems;
- f. Providing access to buildings or units within buildings to those other than residents with key access, staff, or attended guests by any means;
- g. Failure to lock or secure doors, entrance doors, or allowing a person entrance into a building and leaving them unattended in a public area;
- h. Removal of any window screens (except for evacuation due to a fire). All residents of a living unit may be fined if a screen is removed for a non-emergency purpose;
- i. Throwing, dropping, or projecting any objects from any residence hall building, doorway, window or balcony;
- j. Using one's balcony as a means of entry or exit; or using it to store unsightly articles, garbage, or university owned or leased furniture is not permitted. Sitting/perching on or jumping over balcony railings is prohibited.
- k. Use of sporting and recreation equipment is prohibited in indoor common areas such as lobbies, hallways, and entrances.

**XXIV. Sexual Assault:** Sexual assault, sexual battery, or rape of a community member or guest thereof is prohibited. Note: This behavior is defined as any sexual activity conducted without the expressed consent of all parties involved.

**XXII. Threatening Behavior:** Conduct that threatens or endangers the health or safety of any person within or related to the University community, including physical abuse, threats, intimidation, harassment, or sexual misconduct.

**XXIII. Visitation:** This visitation policy is designed with the safety and consideration of our community members and property in mind. In addition, these policies are dictated by California law in Title V of the California Code of Regulations. Student residents are permitted to host guests as long as the rights and privacy of the other persons living in the unit are taken into consideration, and the following guidelines are observed.

Persons who hold a current housing license agreement but visiting residents in other units are considered Residential Guests; all others are considered Non-Resident guests. There are two types of Non Resident Guests permitted to visit the Housing complex: Short Term guests and Overnight Guests.

The definition of a Short Term Guest is any person, hosted by a student resident, who does not hold a Housing license agreement, and will not be remaining in the housing complex after 1:00 a.m.

The definition of an Overnight Guest is any person, hosted by a student resident, who does not hold a Housing license agreement, and will not be remaining in the housing complex after 12:00 noon the day following their arrival. (as specified on their online registration form)

The following is a list of policy guidelines for hosting all guests:

a. Non-Resident Guests arriving or remaining in the complex during the hours of 7:00 p.m. and 12:00 a.m. must be registered. Any guest not registered to stay overnight must leave the housing complex by 1:00 a.m. and not return before 7:00 a.m.

Please follow the registration process described here:

1. To register a Short Term Guest, the host student resident will need to meet the guest at the registration station on Lindley Avenue outside of Building 5 and sign the guest into the housing complex. The guest must show a regularly accepted picture I.D., such as a driver's license, and agree to adhere to all housing rules and regulations. All guests will be required to wear their guest passes visibly while in the housing complex. Short term guest length of stay may not extend past 1:00 a.m.

2. To register an Overnight Guest, the host resident must go online to the housing website (<https://housing.csun.edu/guest>) and register their guest by 3:00 p.m. on the business day PRIOR to the guest's arrival. Upon arrival, the resident must meet the guest at the registration tent near the Lindley entrance to University Park and sign the guest into the complex.

b. Overnight Guest length of stay may not extend past 12:00 noon the day following their arrival, unless otherwise approved for multiple consecutive days. Each resident is limited to 5 nights of this type of visitation per 30 day period.

c. Consequences of violating Overnight Guest policy include a potential judicial fine of up to \$30 per night for each violation.

d. All roommates must give their approval before any guest enters the unit. The right of a resident to occupy her/his room/apartment without the presence of a guest will take precedence over the right of a roommate to host guests. Residents may revoke their approval of a guest for any reason at any time.

e. No student resident may allow guests access to the housing complex after 7:00 p.m. without following the registration process outlined above. This includes boyfriends, girlfriends and family members.

f. All non-resident guests must wear a guest pass easily visible on their person while present in the housing complex. Guest passes can be obtained after 7:00 p.m. at the guest registration station located at the Lindley entrance to University Park.

g. Residents are responsible for their guest's conduct at all times and any damages incurred by that guest. All guests must comply with all University and Student Housing policies. Guests may be asked by University staff to provide identification or leave the premises at any time. The guest must comply.

h. A guest must be accompanied by her/his host at all times. Guests are not permitted to be unescorted and may not be left unattended in the host's unit or within the community.

i. No residents or guests may sleep in the lounges, lobbies or other public areas unless it is in conjunction with an official hall sponsored event or other university purpose and approved in writing by a Community Director or other Housing professional staff.

j. Occupancy in any unit at any given time must not exceed 10 people, including residents.

k. Advertising for open parties or gatherings is not permitted under any circumstance.

**XXIV. Weapons, Firearms or Ammunition:** The possession or use of firearms, ammunition, explosive or combustible materials, pistols, revolvers, pellet guns, air guns, and/or injury-threatening weapons deemed by law enforcement to be deadly are strictly prohibited. This also includes but is not limited to dirks, daggers, machetes, slingshots, switchblade knives, weapons commonly known as blackjacks,

sand-clubs, billy-clubs, and metal knuckles. Metal pipes, bars, razors with an unguarded edge or any knife being used for a purpose other than the purpose for which it was intended (i.e. a kitchen knife being used as a weapon or to instill fear in another.)
